“ I would just like to thank you MLM again, for putting on such a tremendous and memorable rendezvous! With no idea of what to expect (except for the route), Judi and I joined a fleet of about 40 power boats of various sizes from various MLM Marinas at the SW end of Beausoleil. We were guided at a nice pace all the way up to Little Current Marina in the North Channel, overnighting on anchor or on dock at so many fabulous locations on the way up and back again. Too many highlights to mention, but the memories and the new friends we made will last a lifetime.

“ New to boating in 2021, we attended two rendezvous and learned so much about our boat and all the wonderful places to go. It was the best experience and the fellow boaters were so knowledgeable and eager to help. We had so much fun and look forward to seeing all our boating comrades again this season!
